Dear Mr. Turner:

On page 57 of Lee Oswald's notebook (CE-18) you will find the letter-number combinations, "DD 19106" and "DD 10206". A friend of mine has an idea that these may relate to Oswald's alledged involvement in intelligence activities on the behalf of the American Government. I was wondering if perhaps you had any information on this topic that you could give me?

Sincerely yours,
